

INTERMENT SERVICE FOR LTC (Ret) GERALD (JERRY) SWENSON

Dear Friends and Family,

Although many miles may separate some of us, I thought you would want to know that **Jerry's interment is scheduled at Arlington National Cemetery on Friday, November 4th at 11:am**. On that day, we will also be thinking of you, and how you touched his life. Chaplain Kim Donahue will be officiating the service; she was the chaplain who was with us his final night at Bethesda National Navy Center.

If you are planning to attend, **please arrive at Arlington National Cemetery at 10:30 am**. There is only one entrance. Please let the guards at the entrance know that you are here for LTC Gerald Swenson's service and they will direct you/us to an administration building, where they will tell us how to proceed from there.

If you have any questions concerning directions, please refer to the link below

Our sincere thanks,
