September 10, 2010

Dear SCA Members,

It is with deep sadness that I inform you of the passing of BG France F. Jordan who served as a former Chief of the Medical Service Corps. General Jordan passed at his home in Hollywood, Maryland on Saturday, September 4, 2010. Interment at Arlington National Cemetery is scheduled for 9:00 AM on Wednesday, December 15, 2010.

I know there are many of us throughout the Medical Service Corps who knew BG France Jordan and remember him with very fond memories.

We are reaching out to the family of General Jordan to express the condolences of the Silver Caduceus Association. His widow, Mrs. Mary Ann Jordan, is most appreciative of the support and expressions of love she is receiving from General Jordan's friends in the military.

Sincerely,

  
George A. Waters, Jr.  
President, SCA
